Subject to the passing of the relevant ordinary resolution and on the basis that no further shares are issued or repurchased prior to the AGM, the Company will be allowed under the issue mandate to issue a maximum of 155,081,200 shares. The granting will ensure flexibility and discretion to the Directors in the event it becomes desirable to issue any shares of the Company.

The repurchase resolution will be proposed for the purpose of renewing the existing Repurchase Mandate granted to the Directors to repurchase Shares. The existing Repurchase Mandate will expire at the conclusion of the AGM. The Repurchase Mandate is subject to a limit of equal to 10% of the issued and fully paid up share capital of the Company as at the date of passing the resolution. RESPONSIBILITY STATEMENT

This Circular, for which the Directors of the Company collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

Yours faithfully,
For and on behalf of the Board
State Energy Group International Assets Holdings Limited
Zhang Jinbing
Chairman

This explanatory statement contains all the information required pursuant to rule 10.06(1) (b) and other relevant provisions of the Listing Rules.

1. SHARE REPURCHASE RULES

The Share Repurchase Rules permit companies whose primary listing are on the Stock Exchange to repurchase their fully paid up shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised as follows:

1.1. Exercise of the Repurchase Mandate

As at the Latest Practicable Date, the number of Shares in issue was 775,406,000 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares will be issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 77,540,600 Shares, representing 10% of the 775,406,000 issued Shares, during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by any applicable law of Bermuda or the Bye-laws or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

1.2 Source of Funds

Repurchases must be funded out of fund legally available for the purpose and in accordance with the laws of Bermuda and the memorandum of association of the Company and the Bye-laws.

1.3 Reasons for Repurchase

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions, and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and, or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the currently prevailing market value, it may have adverse impact on the working capital position and gearing position of the Company, as compared with the positions disclosed in the audited accounts contained in the annual report of the Company for the financial year ended 31 March 2020. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

2. Share Prices

Trading in the Shares on the Stock Exchange has been suspended since 1 February 2019 until further notice. In this regard, no reference is made to the closing price per Share as quoted on the Stock Exchange in each of the 12 months immediately preceding the Latest Practicable Date. The closing price per Share as at 31 January 2019, being the full trading day immediately prior to the suspension of trading in Shares on the Stock Exchange, was HK\$0.201.

3. Disclosure of interests and minimum public holding

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their associates currently intend to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is approved.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association of the Company, the Bye-laws and the applicable laws and regulations of Bermuda.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (as defined in the Code), depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, the following Shareholder were interested in more than 10% of the issued Shares:

Name of Shareholders	Nature of interest	Number of Shares	Percentage of shareholding
Always Profit	Beneficial owner (Note)	547,042,493 Shares	70.55%
Mr. Zhang Jinbing	Interest of controlled corporation (Note)	547,042,493 Shares	70.55%

Notes: These shares were held by Always Profit. Always Profit was wholly owned by Mr. Zhang Jinbing. Hence Mr. Zhang Jinbing was deemed to be interested in the 546,042,493 shares in the Company held by Always Profit pursuant to the SFO.

In the event that the Directors shall exercise the Repurchase Mandate in full and assuming there is no change in the issued share capital of the Company as at the date of passing of relevant resolution granting the Repurchase Mandate, the interest of the above Shareholders would be increased to approximately 78.39%. The Directors are not aware of any consequences of such increase under Rule 26 of the Code.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be held in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares being held in public hands.

The Company has not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

This Appendix sets out the information, as required to be disclosed by the Listing Rules, on the Retiring Directors proposed to be re-elected at the Annual General Meeting.
